Once login, you will have originally 5000 balance and 5000 credit.

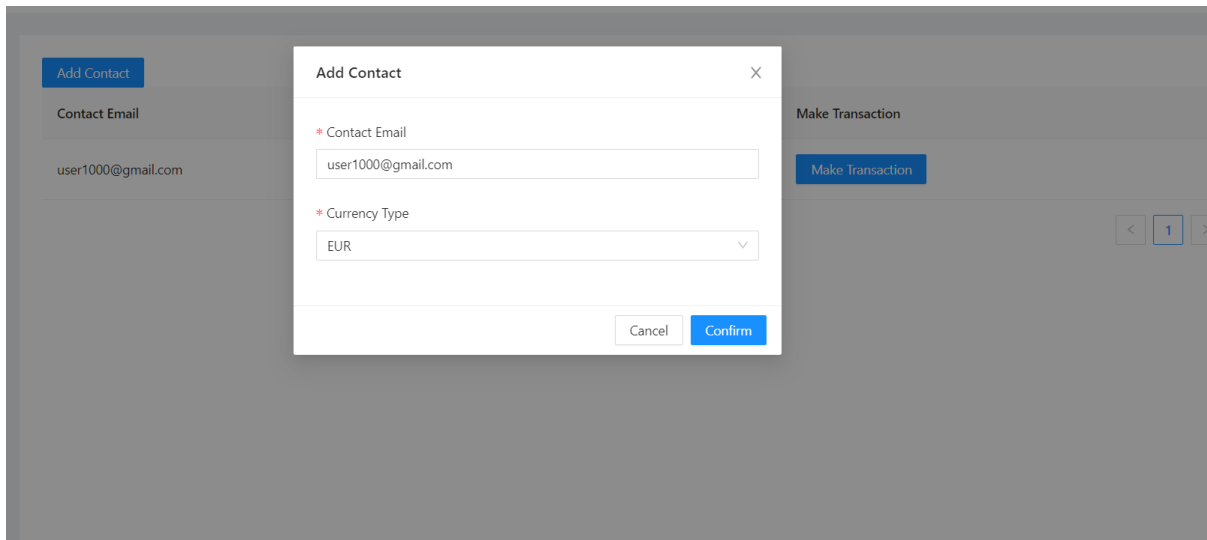

You can select a month to view your past transactions. A positive number indicates that others have transacted to you, while a negative number indicates that you have transacted to others.

Step4 contact page:

To access your contacts, click on 'Transfer Manage' in the left-side menu bar, and then select 'Contacts'. Here, you can view all of your saved contacts.

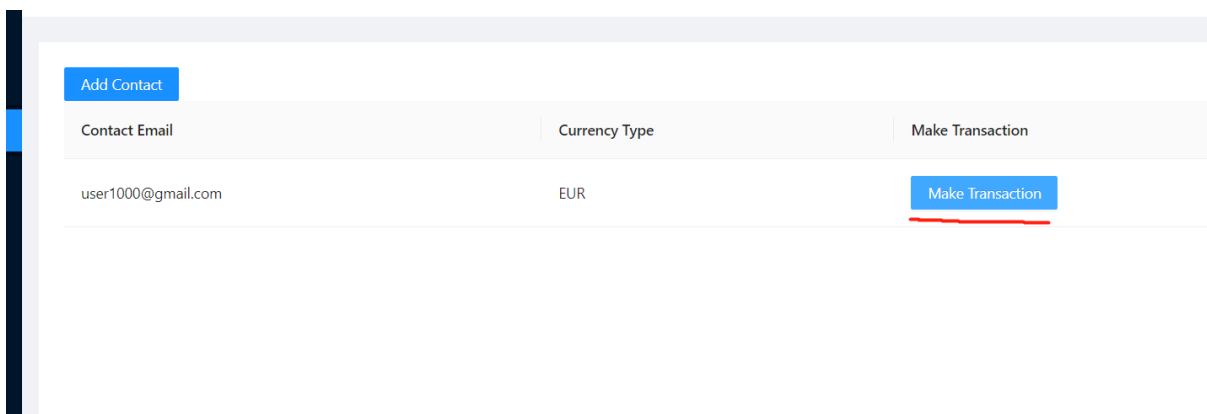

## Step5 add contact:

The screenshot shows a web application interface with a modal dialog titled "Add Contact". The dialog has a close button (X) in the top right corner. It contains two required fields, each marked with a red asterisk: "Contact Email" and "Currency Type". The "Contact Email" field contains the text "user1000@gmail.com". The "Currency Type" field is a dropdown menu currently showing "EUR". At the bottom of the dialog are "Cancel" and "Confirm" buttons. In the background, a table is partially visible with a header row containing "Add Contact", "Contact Email", and "Make Transaction". A data row shows "user1000@gmail.com" and "EUR", with a "Make Transaction" button in the third column. A pagination control at the bottom right shows "< 1 >".

To add a new contact, click on the 'Add Contact' button, enter the contact's email and currency type in the dialog, and then click 'Confirm' to save the contact.

## Step6 make transaction:

The screenshot shows a web application interface with a table. The table has three columns: "Contact Email", "Currency Type", and "Make Transaction". The first row of data contains "user1000@gmail.com" and "EUR". The "Make Transaction" button in the third column of the first row is highlighted with a red underline. The button is blue with the text "Make Transaction".
